

Graäffett Chassis Grease

Product Description

Graäffett Lithium Chassis Grease MP – 0 is formulated from highly refined base oil, lithium soap thickener plus additive system for ultimate equipment protection.

Performance benefits:

- Excellent anti-wear properties,
- Excellent water washout resistance and high pressure steam
- Excellent bearing life,

Features:

- Broad compatibility,
- Reduced maintenance costs,
- Available in yellow, blue and red color.

Applications:

Graäffett Lithium Chassis Grease MP – 0 is suitable for use in centralized lubrication system including chassis lubrication system, bearings operation at temperature from -20°C to 120°C.

Typical characteristics	Unit	Test Method	Typical Results*
Appearance	Visual		Buttery and smooth
Color			Yellow
NLGI Grade		ASTM D217	0
Worked Penetration @25°C	10 ⁻¹ mm	ASTM D217	355-385
Dropping point, min	°C	ASTM D566	165
Base oil viscosity @40°C	cSt	ASTM D446	100
Operating temperature range	°C		-20 to +120

Note: the information contained herein is subject to change without notification. Typical properties may vary slightly.
